

For Immediate Release:

Hamilton Hospitality Closes All Locations Temporarily, Will Offer Free Sanitizer Solution to Anyone Who Wants It

March 23, 2020 – St. Louis, Missouri

All Hamilton Hospitality restaurants have officially closed temporarily until further notice.

In an effort to help those around them they have decided to use their excess supply of sanitation chemicals to give to anyone in St. Louis who would like some for free until supplies run out. The solution being provided is being mixed to the current CDC standard to sanitize surfaces as related to the Covid-19 outbreak. It is a 1000 parts per million chlorinated solution.

They ask that you bring your own container and are limiting the amount given to each individual to 32 ounces. “We realized we had all the ingredients necessary to make 1000’s of gallons of sanitizer and it wasn’t doing anyone any good sitting on a shelf” said Paul Hamilton, Founder and President of the restaurant group. “We are a strong company that is prepared to weather this storm and we want to do as much as we can to help those around us get through this difficult time” he added.

The sanitizer will be handed out between 12pm and 3pm each day in the parking lot of PW Pizza and Vin de Set located at 2017 Chouteau Ave, St. Louis, MO 63103. It is free to anyone who wants it and any money collected will be given to their hourly staff who have been temporarily laid off during the shutdown.

We know these are trying times and look forward to welcoming you back to all our establishments as soon as possible.

For more information please contact Paul Hamilton at 314 621-1996.
